Custom Lighting Solutions

As a leader in luxury lighting, we specialize in creating custom lighting solutions for both residential and commercial spaces. Our in-house team performs all the necessary wire bending, welding, painting, fabric cutting, and assembly to ensure that your unique design is made to your exact specifications. We blend modern computerization with old world craftsmanship using CNC machines to produce accurate executions of your ideas while time honoured craftspeople provide the attention to detail that a machine just cannot do. Check out some of our favourite [custom designs](#) to get inspiration for your next project.

Bringing New Life to Old Fixtures

Want to give your old lighting new life? Look no further than our [Recover Program!](#) We offer a range of options for repairing old lamp shades, including repainting of frames and recovering shades in either our materials or yours. With a wide variety of fabric samples to choose from, you can revive your old fixtures or create a brand new look that complements your existing decor. Our team of experts can guide you through the process, from selecting the perfect fabric to ensuring a flawless installation.

The Latest In Lighting

Are you ready to transform your space? Check out our brand new [January 2023 catalog](#), featuring our newest collection of fixtures. From modern and minimalistic to classic and ornate, all products are crafted with the highest quality materials and technology. Whether you're looking to brighten up a home office, add ambiance to a dining room, or create a relaxing atmosphere in a bedroom, our lighting fixtures are sure to provide the perfect solution.

Whether you're looking for stylish pendant lights for your home or a full-scale lighting system for your business, we have the expertise and experience to deliver exceptional results. Follow our [Instagram](#) or [Facebook](#) to stay up to date with our latest lighting projects.
