ABOUT DAINOLITE

As a leader in contemporary decorative lighting in North America for the last 37 years, Dainolite is able to offer a wide variety of styles, finishes and options to accommodate any project or vision, big or small.

With over 1700 inventoried items, Dainolite stands behind its product design and quality with ample stock in our 45,000 sq. ft. Mississauga warehouse that is also home to a team of dedicated and experienced individuals focused on product design and specification, quotations and growth within the North American market.

With Dainolite's unique customization capabilities, no design will ever be out of reach again. With decades of experience on bringing visions to light right in our facilities, we are able to build complete new shaded fixtures from the ground up – wire bending, fabric cutting and fixture painting all happen right on site. We also can modify any existing fixture, longer cord lengths, different canopy needs or unique colour changes all can be accomplished with our dedicated production team.
